Work History

Graphic Designer

Kutztown University College of Business, Kutztown, PA

September 2025 - Current

- Throughout the fall and spring semester, it's my responsibility to design the College of Business yearly magazine. So I am currently working on that as time goes on.
- While I work on the magazine, I create posters and social media graphics for events and announcements throughout the semesters.
- Working in Adobe Photoshop, Illustrator, and Indesign to take the information given to me by my manager to design something that is eye catching. Receiving feedback and making changes if needed.

Colorist

Cry of the Phoenix Short Film, Remote

July 2025 - September 2025

- Worked in ToonBoom Harmony to color the subjects of individual scenes in the short film. I used the color codes given to ensure everything was consistent in between frames.
- I also got first-hand experience of the animation pipeline through this position. Seeing all of the pre-production work and their workflow inspired me as I completed my work.

Take-Out Worker

Outback Steakhouse

February 2024 - Current

- Provided exceptional customer service by answering phone calls, taking orders on the POS, handling change, and offering menu recommendations
- Made sure every customer was happy by creating connections with them any chance I got
- Prepared designated take-out orders by carefully following recipes and portioning requirements
- Collaborated with kitchen staff to ensure timely completion and accurate packaging of take-out orders
- Maintained a clean and organized work station to ensure food safety standards were met

Hostess

Outback Steakhouse

May 2023 - Current

- Greeted and seated guests in a prompt and friendly manner, enhancing the overall dining experience
- Created conversations with customers to ensure that I built a special connection with them, and promptly addressed any concerns or special requests that they had
- Maintained cleanliness and organization of hostess station and lobby area to create a welcoming atmosphere
- Managed and organized reservations to maximize seating capacity and minimize wait times

Education

Kutztown University of Pennsylvania at Kutztown, PA

Animated Arts Expected in June 2026

- Dean's List
- 3.93 GPA
- I am currently studying Animation at Kutztown University, where I intend to receive my bachelors from in June 2026. Using my experience from Maryland Institute College of Art and Montgomery County Community College, I'm putting my artistic abilities to the test. Stepping out of my comfort zone and pushing myself to take on opportunities that will strengthen my skills.

Montgomery County Community College at Blue Bell, PA

Previously Studied in Fine Arts May 2024

- Specializing in Animation, I majored in Fine Arts at Montgomery County Community College for a year, allowing myself to dabble in a variety of mediums. I have experience in many different art forms, including digital, painting, traditional, pen and ink, and many more. With five classes a semester, I am good at managing my time wisely between school and work.

Maryland Institute College of Art at Baltimore, MD

Previously Studied in Animation May 2023

- For my freshman year of college, I decided to go to Maryland Institute College of Art, before eventually transferring to Montgomery County Community College to give myself a chance to reevaluate where I want to go in my future. I learned a lot at Maryland Institute College of Art though, especially in managing my time, where I use those skills more so now.

Spring-Ford Area High School at Royersford, PA

High School Diploma June 2022

- Taking a variety of honors classes throughout, plus one AP course, I graduated high school with a 3.8 GPA. I participated in many clubs, including our community service club, art club, along with being in the ensemble and stage crew of the school musicals.
